

**CORPORATE AFFAIRS GROUP 2016/17**

**Objective 1. To address ad hoc key strategic issues or matters of corporate significance**

Action	Performance Measure	Progress	Expenditure
<p>Ad hoc meetings for in depth and/or time pressured consideration of issues.</p>	<p>1. Added value to STAL of a “critical friend” nature.                  2. Helpful preliminary consideration of reports to the main Committee of key strategic issues and/or issues of corporate significance.                  3. Considered responses to the Government or outside bodies on key strategic issues.</p>		

**Objective 2 To monitor STAL progress overall in achieving performance standards set out in the current SDP and CSR.**

Action	Performance Measure	Progress	Expenditure
<p>Discussions with STAL, monitoring progress on meeting key targets and/or proposals. NOTE. CAG will determine key targets/areas of interest once the 2015-16 CSR report is published.</p>	<p>Evidence of STAL meeting and/or satisfactorily progressing the key targets and/or proposals.</p>		

**Objective 3 To monitor airport development issues.**

Action	Performance Measure	Progress	Expenditure
<p>Regular consultation in conjunction particularly with UEG</p>	<p>1. Evidence of upstream, meaningful-consultation with STACC. 2. Evidence of measures taken to reduce any adverse impact on the travel experience of passenger customers</p>
